

THE
BRIDGE
 GOLF FOUNDATION

THIRD ANNUAL CHARITY GOLF EVENT

Saturday, September 23rd, 2017 • The Bridge
 1180 Millstone Road, Bridgehampton, NY

Par 3 Challenge for Young Men of The Bridge Golf Foundation: **10:30am**
 Registration & Brunch: **11:30am**
 Shotgun Start: **1:30pm**
 Cost per Foursome: **\$10,000**
Cocktails, awards, dinner and silent auction to follow golf

The \$10,000 foursomes include four non-accompanied rounds during specific times at The Bridge and an annually renewable membership to the Trustee level of our Friends of The Foundation program. The Trustee level includes complimentary simulator play, special discounts and exclusive access to The Learning Center.

This phenomenal opportunity allows you to enjoy a fun day of golf with friends, participate in a Par 3 challenge with the young men and join an exclusive membership that rewards you with special benefits to encourage game improvement and socializing through golf year-round in New York.

Most importantly, you are partnering with us to make positive and sustainable improvements in the lives of our most at-risk male youth in American society.

The Foundation is thriving. This spring, our high school boys golf team from The Eagle Academy of Harlem began competing in the Public School Athletic League. On June 3, the boys hosted The Foundation's First Annual Water Fair, a pioneering event that featured their exploration of water through the lenses of social and environmental justice and sustainability. In the fall, we will expand our work into six schools.

Your contribution will help us continue to develop and expand this important work.

Please Help Support
